LANDSCAPE ARCHITECT

MICHAEL MEDIANTE

About Me

LANDSCAPE ARCHITECT

Experienced Landscape architect with over 18 years of expertise in managing, planning, designing, detailing, site supervision, and coordinating diverse projects in both public and private sectors. Proficient in overseeing projects from concept to completion, including budget estimation, material purchasing, and construction phases. Known for exceptional communication, leadership, and problem-solving skills, combined with deep knowledge of engineering and architectural codes. Seeking to contribute to a forward-thinking firm with a focus on environmentally sustainable design.
